

The background of the slide is a photograph of an ancient Egyptian temple interior. It features several large, standing statues of pharaohs or deities, carved from light-colored stone. The statues are positioned between massive columns that are also covered in hieroglyphs. The lighting is warm, creating a golden-yellow hue across the entire scene.

The Wonder of Providence

(Genesis 37:12-28)

(Divinely Designed Appointments) -

“Providence is a word every Christian should know, for it refers to God’s good government of our lives. We are not the victims of luck, fate or karma. Rather, God has mapped out our path from before time began. He is active in the circumstances, surprises and choices of our lives and is all the time leading us towards His purpose.” – L. Goligher

Daniel 4:35 -

All the inhabitants of the earth are accounted as nothing, but He does according to His will in the host of heaven and *among* the inhabitants of earth; and no one can ward off His hand or say to Him, 'What have You done?'

“Egypt was big in the international slave trade. So the Midianites looked to a profitable market on the Nile. Likely, they doubled their twenty-shekel investment in Egypt. And what about Joseph? Dragged naked from the pit and tethered to a beast of burden so that he too could carry some of the freight, he began the long trek to the Nile. He had begun the day a robed prince in Israel and ended it as a slave.” – K. Hughes

“I can be confident that God is in control of my life, even when bad things happen, I know God is in it and He has a purpose.”
