

A Final Appeal

Appendix

This study was all about your continued growth in the Lord. There is an old saying that is very appropriate to all the work you have accomplished in these lessons; "Use it or lose it!" It's true, isn't it? The best way to implement truth into life and reinforce what you have learned is to put it to use. God's way for you to do so is to teach it to someone else.

Think about Matthew 28:19 & 20 one more time. This passage expresses Christ's marching orders to the church. Your task in obedience to Him is for you to be involved in making _____. This is done by your _____ them to _____ (vs 20). These lessons give you a means to accomplish your task.

There is a wonderful added benefit to helping someone in the basics. Look up II Peter 3:18 and fill in the blank with the word that describes what both you and your disciple will be experiencing. _____

Ezra was a scribe skilled in the law and the Bible tells us that God's hand was upon Ezra's life. From Ezra 7:10, what three disciplines describe Ezra's activity with God's Word? _____

Our prayer is that you will be an Ezra to others by teaching them what you have learned. May our Great God bless you and strengthen you as you look not upon your own interests, but upon the interests of others.
